

Welcome

**Annual Cross Industry Exchange for
Process Excellence**

What is CIEPEX?

A group of cross industry professionals who share an interest or passion for process excellence. We aim to share experiences, ideas, successes and failures in our process efforts in an aim to improve as we interact regularly.

How/When will we meet?

Remotely – Quarterly – 2 hours

Face to face – Annually – 1 day

Who can participate?

Clients of Roc Technologies who have an interest in process and engaging with others going through a similar process journey

Costs for membership?

Active participation in the group discussions and events, sharing information and occasionally present and/or host an event if possible
